

I am requesting that you keep KLOVE on the air. I listen to it daily, as do other family members. It keeps us abreast of the current news from a Christian perspective, which we don't get elsewhere. KLOVE is informative, encouraging and uplifting and I often talk to others about songs and stories we hear on it. It would be a great loss to the entire region if it were displaced by an LPFM broadcast. I believe it serves the public interest because of its encouragement and because it links us to other positive stories across the country that could be initiated here. Any broadcast that you might replace it with would be of much lesser value. Keep it on the air, PLEASE!!
